

Maintenance/Feed Mill Operator position available at Sellers Feedlot in Lyons, KS. Full time. Excellent pay and benefits, \$45K - \$70K Annually. Must be dependable, comfortable working with a variety of machinery and a self-starter. Responsibilities would include but not limited to: Working with a wide variety of diesel equipment from skid steers and backhoe to pay loaders, 4 wheel drive tractors, dump trucks and scrapers. Overseeing the operation of a steam flaking grain mill (Will train.) Welding and construction dirt work. A willingness to learn and dedication to properly caring for equipment is more important than extensive experience in these areas.

Will train the right individual with a strong work ethic and mechanical background.

Must pass drug/alcohol screening and provide references.
