cares.

Retail Store Positions

Our in-store team members happily serve our millions of customers every day, and we truly believe that sets us apart and makes us who we are. From the care they put into tasks such as processing and preserving precious memories in our Photo Center to filling a complex (and much needed) prescription in our pharmacy to the genuine smile and warm greeting they give to a customer who just entered the store, they truly are the face, heart and soul of our Walgreens operation.

Pharmacy Technician Apprenticeship: Req. ID:

Our pharmacy technician positions have undergone an exciting transformation, moving from a transaction-based environment to a much more patient-centric one. As a Walgreens Pharmacy Technician or Pharmacy Technician Apprentice, you'll be front and center – interacting with our customers and developing strong patient relationships. Pharmacy is the core of our business, and our pharmacy technicians enjoy all the tools and support – including the latest technology – to grow their careers and reach their goals.

To apply scan the QR code or visit jobs.walgreens.com > under Keyword input the Req. ID that is listed next to the position that best suits your background.
