### **Job Responsibilities**

As a **Diesel Mechanic**, you will inspect, diagnose, and repair mechanical, electrical, and other defects in our guests' heavy-duty semi-tractors and trailers, providing a full range of diesel repair and maintenance services.

### **Your specific duties in this role will include:**

- \* Ensuring that customer needs are met in a professional, timely, and efficient manner
- \* Replacing and balancing tires, following established tire dismount and mount procedures
- \* Repairing or replacing starters, generators, and universal joints
- \* Adjusting and/or replacing brakes
- \* Discussing service and repair problems with customers when necessary
- \* Helping to complete work orders
- \* Performing emergency repairs in the field
- \* Performing minor arc welding
- \* Help train and advance other team members
- \* Ensuring that housekeeping guidelines are followed
- \* Following all established safety guidelines, including 100% compliance for Lock Out Tag Out
- \* Adhering to established drain plug torque procedures
- \* Performing additional duties assigned by your manager
- \* Operates service truck and provides road side repairs, including tires

***Our Safety Mission Statement is to sustain zero accidents by providing a safe environment, worked in by safety minded employees***

As a Diesel Mechanic, you must be reliable and hard working with strong mechanical and technical inclination. You must also be highly organized and detail-oriented, with the ability to manage multiple tasks simultaneously. It is also important that you have excellent communication and interpersonal skills, a cooperative attitude, and a willingness to assist others.

### **Qualifications for the position include:**

- \* High school graduate or GED, preferred
- \* Minimum 18 years of age
- \* Valid Driver's License with a good driving record
- \* Minimum 1 year of previously related experience in automotive or diesel, preferred
- \* A combination of training, education, and/or experience equivalent to the standards set forth by Sapp Bros service center
- \* Ability to diagnose mechanical and electrical problems
- \* ASE Certification, preferred
- \* Ability to provide proper documentation establishing your identity and eligibility to be legally employed in the United States

*Safety, Attitude, Pride, Professionalism*

- \* Willingness to undergo a criminal background and employment reference check

As a Sapp Bros. employee you will be part of an established company with a long tradition of commitment to quality, ethics, and superior customer service. If you are in search of an opportunity to use your leadership, creativity, communication, and people skills in a fun and rewarding environment, then we have a place for you on our team. We offer opportunities for advancement and competitive compensation that includes a great benefits package.

**Benefits Include:**

- \* Health, Vision & Dental Insurance
- \* Life & Accident Insurance
- \* Prescription Plan
- \* 401k
- \* Paid Holidays & Vacation
- \* Education Assistance Program
- \* ASE Certifications paid for by company
- \* Tool Assistance Program
- \* Gym Membership Reimbursement
- \* Discounts on Gasoline & Diesel
- \* Store & Restaurant Discounts
- \* Career Advancement - We promote from within!
