

Job Title: Field Service Technician

Company Description:

Crown Equipment Corporation, one of the world's largest lift truck manufacturers, offers local support on a global scale with more than 15 manufacturing facilities worldwide and more than 500 retail locations in over 80 countries. Our global sales and service network provides our customers with a local resource for a wide variety of quality material handling equipment, fleet management solutions, warehouse products and support services to meet their needs anytime, anywhere.

At Crown, we know that our employees are the driving force behind our success in the material handling industry. We cultivate a culture of passionate people and inspired innovation. We support our employees and their professional goals because an investment in our people is an investment in our future. In fact, throughout Crown's history, more than 1,000 employees have reached a 25-year milestone, and we are proud to have traveled their career paths with them.

From employee training and development to competitive compensation packages, we invest in our employees, knowing that people are always at the core of what moves us forward.

We are seeking knowledgeable customer focused auto, diesel, aircraft, or forklift technicians to join the Crown team.
